

MICROPHONE STAND

ST-800

Thank you for purchasing TOA's Microphone Stand.

Please carefully follow the instructions in this manual to ensure long, trouble-free use of your equipment.

1. SAFETY PRECAUTIONS

CAUTION

Indicates a potentially hazardous situation which, if mishandled, could result in moderate or minor personal injury, and/or property damage.

- Avoid installing or mounting the unit in unstable locations, such as on a rickety table or a slanted surface. Doing so may result in the unit falling down and causing personal injury and/or property damage.
- Do not lay the connection cable where it can be walked on or tripped over, causing personal injury.

2. GENERAL DESCRIPTION

The ST-800 is a desk-top microphone stand base designed for use with a gooseneck condenser microphone. It features compact and stable design.

3. HANDLING PRECAUTIONS

To clean, be sure to first disconnect the connection cable, then wipe with a dry cloth. When the unit gets very dirty, use a cloth damped in a neutral cleanser. Never use benzene, thinner, alcohol, or chemically-treated cleaning cloth because such volatile liquids could deform or discolor the unit.
